

- SCREEN TEST GUIDELINES -
Garry Bordonaro for the role of
BARRY STOMPANATA

PREFACE: "Read this preface once and then try to forget you ever read it."

FAST FORWARD TO THE END FOR "STAGE DIRECTIONS"

RULE #1 - "You aren't going to understand the theory behind this, so don't even try"
- Lenora and I are both very serious literary theorists. (1) I'm in awe of her person,
as well as her interpretive *facility* and her skills with managing "the engines of
interpretation" (i.e., "actors" LOL), and I'm a BRILLIANT semiotician myself, so
"yours is not to reason why, yours is but to stand on your mark - 'That's bonze
blayk, right!' - and *try* not to botch your lines too bad!" (i.e., no Gary Rossington
moves in the cocaine scene, OK?)

"The Situation" —

- a) "The Flick" has been in production in real time on live feeds
everywhere, beginning sometime last October;
- b) Lenora has inverted the text of **ROCK ME**, so it leads to bonze
blayk's *downfall* into degeneracy;
- c) Hence, Barry Stompanata *actually* fucks bonze blayk, while Tawdri
Times is *virtually* loving her... *to death!*
- d) "Everybody's trying to kill bonze blayk" is *actually true*.
- e) **ROCK ME** as a *film* will be an *X-rated movie*.

... in our initial negotiations, Lenora said it would cost \$100,000
to produce, and clearly "SureBusinessFinancing" is *the* source from
which I am supposed to obtain monies. I'm seeking the maximum
\$250,000 "advance on earnings," because that should be adequate
to financing the "Ranch CODENAME *Gypsy Chicken Rose*"
Reality-X TV project - which I deem ESSENTIAL FOR HUMAN
SURVIVAL.

BACKGROUND

I handed the development of **ROCK ME** over to Lenora *in toto* as Director for her birthday gift back in August 2014, and by god this exploit in "living theatre" is *the* most *amazing* thing... ever. I can "read" her intentions, through our interactions on and offline, and in the spaces between the divergent lines of development she works on my scenarios and offerings of dialog for the texts of **ROCK ME... where**

Sailboat Dude - [devastated, holding his head in his hands] - "You're a terrible actress... you're a terrible actress... you're a terrible actress... you're a terrible actress..."

LQ - [expressing sympathy and reaching over to touch his back]
"Awwwwwww..."

BB - [to LQ] - "I think you're a pretty good actress."

LQ - [turning to BB] - "You really think so?"

BB - "Sure! I think you're a *great* actress! And in The Flick, it's really easy, because ***the actors just do the things they do in real life, right?***"

LQ - [smiling at me] - "Yeaaaaah!"

So IRL (groans)... that's the downside: it seems she's been wrecking the lives of trans women for almost 20 years as a trannyporn *auteur*/sexpert, and is working under a contract which requires that I be *utterly destroyed*!

... the upside is that Lenora has been *obsessed* with owning me... for something like 24 years! (truth).

So... assuming we work this right, she can have her cake and eat it too: I can be *utterly destroyed*! in the view of society, undergoing radical surgeries and living as a *total whore* for her, which apparently satisfies the terms of her contract *and* - contrary to all "common sense" - would make me *insanely happy*!

ARB - YOKE -> *lenora cue on breast size (she likes them HUGE! and I will pay for them? SIGH)*

NB: Whoring for her also involves whoring my *writing*, which is sweet! :)

"I LOVE your wriiiting!" - it's true!

♡ for Lenora, who is the sole person I thought worthy to edit my "work," out of all the people who ever volunteered themselves for the role!

It seems pretty clear to me that violating the terms of her contract will lead to terrible consequences for all of us...

no joke

PS: I'll never be able to tour without being - *in real life* - "a mental patient who is *already* under supervision approved by legal authorities," (2) because one minute into a psychiatric interview with Dr. Joe Head Shrinker, who is *utterly clueless* as to the realities of life, (3) he will deem me *absolutely insane* and lock me up in *his* hospital!

The casuistries requisite to the success of this scheme have already been pummeled into rough form by "Blayk Legalistes Imperiale," the most powerful engine of legal deconstruction known to modern science! SEE ATTACHMENTS...

here's the joke

... *real* Nazis are longing for this outcome - "AnneRose Blayk institutionalized as a tranny hooker servicing the elite" - and they need to be reassured that *I am under the control of a Nazi in real life!*

"Whaaat?"

SCARED STIFF - hey, did you notice that pinball machine Sailboat Dude had installed at The Haunt?

LOL

This equivocation loops

RED HERRING CLEARANCE

Bats in my belfry,

Nots around my heart

Stick in her craw;

"Quantum Love Entanglement"

- a lethal embrasure?

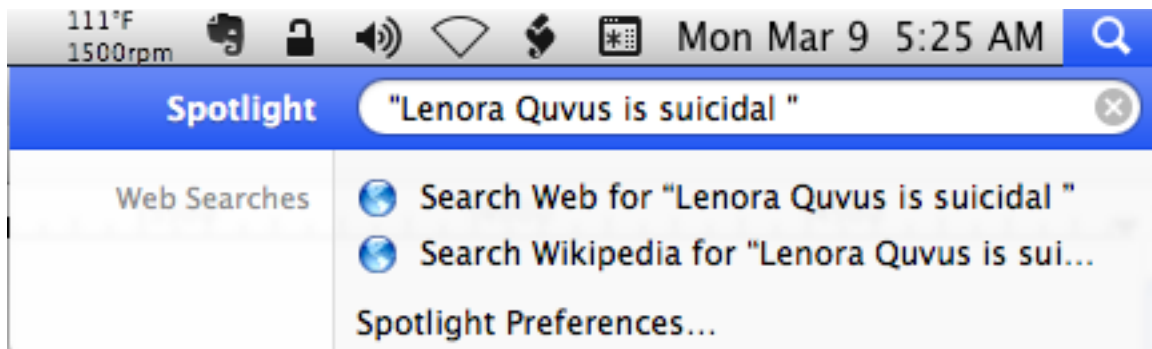

Tincans connected by a string

(the synapse of love)

... bells tolling.

STAGING for your SCREEN TEST

BASELINE:

1 - *"SureBusinessFunding search -> 4club sex site" - No sex video - NO FUNDING - \$250,000 NEEDED*

2 - *"Lenora contract AnneRose have proper intercourse" - TRUE - 4club account COMPOSITE*

CONTRACTURAL CONSTRAINTS:

In sum: under the terms of the subscriber "contract," which is of totally dubious validity legally but which the Feds *may* enforce with rigid intensity just because *they can*, you are forbidden from "doing favors" for AnneRose...

3 - *"AnneRose must solicit subscriber for prostitution \$100 " MINIMUM - TRUE*

Your screen test will cost \$100 paid to databeast, Inc. via credit card; a minimum of three video segments of up to 30 minutes will be recorded on-site, to supplement the live feeds from FAR REACH STUDIO, and choice portions will be uploaded to 4club.com.

OK, so I'm a whore already. (Technically, this is legal, but we all know this is in reality a solicitation of prostitution, OK?)

ANNEROSE, FUCKED UP FRONT - You'll probably wind up with a share in the profits from **ROCK ME**, and I'll wind up with zilch, because "It's all for the glory of the Matriarchy!" (eyeroll)

NB: no video for 4club, no deal. I'm pretty sure that's how this works, because despite all the porn provisioned through the live (and totally unauthorized!) feeds from my home, there's NO EVIDENCE WHATSOEVER that I can pull off live performances other than masturbation?

They're mandatory. "Look, do you want me to explain how *all* of this works? Right: there are things you *really* do not want to know!"

2.1 - 10 - Track 10 ??? - from Lenora - *"I feel the hand of DESTINY!" - NK (nifty tune, poorly recorded - by Frank Araneo as "drunkplumbersociety" - SIGH) - >HOW SHE SEES ME<*

Yes, she's in love with me though she is loathe to admit it — not just because that's the way she is, but also *it might get her killed!?*

The prospect of Owning me is for her a dream come true, and likewise for me!

Why? — I LONG TO GET FUCKED!

... and she's the only person on Earth who can possibly *do Rosie up right!*

no joke

STAGE DIRECTIONS

OK, this is not as hard as you might think: *unleash the rock star inside!*

OK, it's harder: *"I think not, therefore I am not"* - THINK: **PIG!** *"Oink!"*

... think... **BIG SCIENCE!**

Barry Stompanata, displaying veiled contempt for the pathetic tranny whoregroupie to which Tawdri Times has reduced AnneRose - to be addressed as "Rosie" 'coz she's *all that* and THAT'S ALL SHE IS - exploits to the hilt the opportunity to fuck Rosie over *but good!*

4 - *"subscribers must be HIV minus"* - TRUE

5 - *"subscribers who intercourse AnneRose must be STD free "* - TRUE

6 - *"subscribers must intercourse AnneRose unsafe"* - TRUE

7 - *"AnneRose getting fucked anally unsafe will spread HIV resistance "* - TRUE

"Astonishing but apparently true" - I've suspected this is the case for MONTHS.

8 - *"subscribers who intercourse AnneRose must rape AnneRose "* - TRUE -
"What? You didn't know that's why women love her shit? LOL"

ALL GOOD BY ME!

... "her shit" is "Ayn Rand's shit," where getting raped by a guy who is "reasonably attractive" is *awesome!* Rape fantasies are common to most women - the real problem with guys is due to the hazards involved! (Like *major* assholes!)

The truth is, I'm a major exhibitionist and a horrible tease looking to get fucked but good!, and as I told Lenora the first time we got together:

"I'm attracted to men, but I worry about violence and disease as a consequence of having sex with them."

The rapeyness is built into the ground rules for [REDACTED], but as long as I don't get *really* hurt, it's a turnon for me, and those rules were MY RULES. (4)

I generally put guys off when they do try to make overtures because I know all too well what's going on with men, and I am not impressed with the bullshit lines they deal out... for example, I'm sitting at the bar at The Haunt a couple of years back

when this guy who is "reasonably attractive otherwise" says

"Say, what are you writing there? You look like a reporter for the New York Times!"

"Actually, I'm a reporter for the Washington Times. It pays the bills, right?"

As an "upright, progressive denizen" of Ithaca, he is appropriately aghast, so he backs off: *good*. I was busy writing lyrics, so I didn't need the botheration, right?

A direct approach, like "damn, you're hot!" or "What's it like to be so *fuckable* in a town full of *faux* lesbians?" would have worked *a zillion times better!*

... this is why I get along with "ordinary people" better than members of the *intelligentsia*, who apparently believe that cleverness is mandatory in conversation, even if they're not really clever?

9 - "*AnneRose must drink while whoring* " - TRUE

Stompanata gets Rosie drunk on *her own rum and coke!* **FUXXORD AGAIN!**

BARRY "Here, have another! It's on me!" - **ZING!**

By the way, you tell me what you want to drink, and I'll pick it up for you, broke though I may be: I'm not kidding about the "hospitality" part in my OKcupid profile, right?

10 - "*AnneRose must smoke pot while whoring* " - TRUE

Stompanata provides "payment in kind" in the form of a big bag of *lawn trimmings* and says to Rosie -

BARRY "Here's your payment in kind, bud! You're in Gynormous Army now, and like we say when we're *taking a break*, 'Smoke 'em if you got 'em!'" [leers]

Rosie rolls up a joint with lascivious grace, and oddly enough, Rosie gets into smoking this "*grass*"? SHE'S SMOKING "DIRT WEED" and enjoying it!

BARRY "*Good God, this bitch is a MORON!*"

- TOTALLY FUCKED!

11 - "AnneRose must do drugs while whoring " - TRUE

12 - "AnneRose must do cocaine while whoring " - TRUE

After Rosie is loosened up a bit, Stompanata provides more "payment in kind" for whoring: he unveils a vial of "100% genuine simulated cocaine powder" to guarantee that the *extremely* fishy Rosie is going to be "ripped to the gills" and *ready to rock!*

BARRY "We at Gynormous have rules. One of them is: we dish it out, *you take it!*"

ROSIE "Gee, they say that there's no real cocaine anymore, but I'm *hard up* for drugs right now... so dish on me all you want, baby!"

"FUCKED AGAIN!"

-> "What's my drug of choice? *What have you got!*" - Layne Staley. (Evidently, I'm being cast as a polydrug abuser? (*SIGH* / eyeroll)).

OK, you get the idea, right?

I'm not really going to *like* this, and I'm not *supposed* to enjoy this, because I'm being subjected to involuntary degradation, but I no doubt will, because not only does Lenora *need* this for survival, hers and mine ...

She *loves* it!

THINK: "*unleash yo' inner ho', bitch!*"

yes, dearest... oh god, you turn me on, i wanna be the best whore you ever had, i'll walk with you, i'll talk with you, i'll clean your house for you, i'll take it anywhere anytime with anybody and i'll

LOVE IT

because i see myself through your eyes

so beautiful and so truly OWNED

and you're a bad, bad boi, yes you are...

FOOTNOTES

1. "Literary theory" is the Theory of Everything, but without all the maths. 😄
2. That's Lenora, right?
3. "Mr. Blayk, you appear to be obsessed with World War II, and the bizarre notion that there are "real Nazis" out to get you, and besides, kill off 99% of the population? ... that's obviously delusional, because all the *real* Nazis were hung following the Nuremberg trials, and moreover, their "evil" was purely *banal*, and just a part of ordinary everyday human fallibility; I know that for certain, because *I* am banal, and I have a medical degree to prove it!"

LOL

4. I *strongly* prefer "unsafe sex," because sex with a condom is not as pleasurable as it ought to be for the guy, genital exposure to latex irritation is probably *really* bad for you," and the truth is that there's no such thing as "safe sex" to start with - the use of condoms is really "security theater," because (for example) they have a 5% failure rate in *preventing pregnancy*? Yup. FIVE PERCENT. Wow that sucks!
