

NOTE: This brief "Brief" on the network of evil assembled by Neal Gray to "manage my TAKEDOWN"

i.e., **MURDER** or **HORRIFIC ENSLAVEMENT**

here in Ithaca was composed spontaneously, under the pressure of the moment as the connections "condensed"? - for me, and has been revised and had some graphics added to clarify the text. "How do you *know* this, Anne?"

... just call it... "feminine intuition" ... if you don't respect the power of *inductive inference*. also? ... Nazis often make these stupid puns that aren't half funny, as if *the victim will never catch on!*, in the style of "concentration camp" or "strategic hamlet" or whatnot?

MEANWHILE: ***I go without medical care, because... "obviously."***

- AnneRose Blayk - February 3, 2015

NB: In the "official record" of "The Team" that's supposed to be *taking care* of "me"...

"AnneRose Vajra - WitchSlave" by LILITH (the name of my hard disk? -  
god how fucking stupid can these people be!)

## (EYEROLL)

Lenora Quvus, my fiancé, will probably be seen to communicate things like

"Gee, I wonder... *what if...* ?"

**IT'S GENIUS:** Soon afterwards - *some guy will be stealing the idea...  
and then dealing the damage via hackerly "electronic sabotage"!*

**AND THAT WILL BE NEAL GRAY!**

ROFLMAO!!! "But... it was *her* idea!" hahahaha:  
"No excuses, bubba: *you pulled the trigger.*"

--> "setup/setup" - XXX

--> Alice worked for years as the supervisor of some 26 VESID† rehab cases suffering from severe mental illness or disabilities who were working in the canteen at the Seneca Army Arms Depot; she is an experienced professional cook and sheep farmer herself.

She described her "training techniques" to me, which involved aggressive interference with the performance of their tasks to "teach them to ignore interruptions."

--> how she would run the "Death Camp 2020" at 1668

**Neal Allan Gray** - *purportedly* MI - "Master of Ceremonies"

- > **INFILTRATOR** with links into EVERYTHING - Opus Dei - CIA/OMH/NAZI <—  
--> "Frat Rat" and Nazi Youth: *you never saw him turn - because he always was a NAZI!*
- > NEEDS FORENSIC PSYCH REVIEW:  
Look into missing pets near home where he grew up: likely SADISTIC PSYCHOPATH
- His involvement with framing Garry Bordonaro for DUI and Garry's subsequent psychological brutalization by OMH "Alcohol Treatment" contrary to findings by local clinicians, indicates that Neal is in cahoots with the OMH Nazi clique, and probably has been for a long, long time  
-> DRUG "TREATMENT" NAZIS <-
- Neal has interfered with every effort made to deliver marijuana to me for my LEGITIMATE HEALTH NEEDS, i.e. Temporal Lobe Epilepsy, duly diagnosed by Kevin Field PhD - Clinical Psychologist by behavioral signs *distinct* from Manic-Depressive/"Bipolar" Disorder
- HE HAS BEEN ATTEMPTING TO DRIVE ME INTO SUICIDE by vicious harassment *at home*. or have me jailed or committed to a mental hospital - a private one, *no doubt* - My home is clearly intensively "wired" for A/V throughout: I HAVE NEVER SEEN ANY OF THESE VIDEOS: I know of them only through inference - from the reactions of others.

--> e.g., Jonathan Hochberg - *SEE BRIEF VIDEO CLIPS* <-

Jonathan was set up to offend against me by sharing Sealed Court files from my OMH record, which FALSELY indicated I dreamt of "abducting" his sister Jody, my first girlfriend?

**HIIPA offense** - 10 years per case of malicious sharing

Neal Gray *must* have obtained these through OMH, since the County Clerk's Office will NOT share sealed documents without permission! Alternatively... he may have hacked into the computer systems of the OMH?

## "Far Reach Studio" Takeover Consortium:

I sought to make a modest living running a studio at 1668 Trumansburg Rd., Ithaca, NY - which is an ideal site for the enterprise - one endorsed by my brother, who is after all is said and done an expert on the preferences of rock stars (LOL), as well as having confidence in my ability to do recording and live sound... from experience?

... my initial insights into malicious schemes were based on peculiar behaviors of local musicians who gave "tells" that they were keenly interested in the site... but for their own use! It's potentially a GREAT studio facility, which was a major reason for my purchase of the place in the first instance: I saw the potential in the structure as a sound studio, where no one else had...

NB: My father was an architectural photographer; I grew up living and breathing architecture as a discipline organized around maintaining a "life in style".

**Walt Lorenzut** - bass guitarist / Electrician/Construction

"Architect" = He lied about quitting after getting his degree from UT Austin: after six years, he couldn't complete an acceptable thesis.

**Ed "Bugs" Bugliosi** - ??? - Singer/Guitarist/Bandleader of "Sonic Rust" band, with whom I played for a few months starting August 2014, and then quitting over harassment ("Ed wanted head." - SIGH)

SETUP, SETUP, SETUP

Game, Match, ...

- BOOM! -

(the nuke always wins in tennis)

THE QUESTION: "Why did these guys get greedy?"

... greedy is always stupid. ? Ultimately, the answer that came to me was:

**-> MINERAL RIGHTS -> "The Fracking of the Town of Ulysses" -**

2 x drilling pads with 10 wells each occupying 8.9 ac (Wiki)  
would fit on the 19.84 acres of 1668

- > 1668 features a 1 acre STOCK POND - with an "inexhaustible" well that served an enormous chicken farm and later a cattle ranch
- > City water became available for "limitless supply" on the city's tab
- > 1668 has ample space to house fracking crew and GEAR

Alice was technically PRO-Frack, but "picky" about the lease?

-> ALICE -> OUGHT <- TO BE ANTI-FRACK

Strong Environmentalist - "Fight the Frack" button  
I've still got it somewhere - but WHERE? - (shrugs)

She did sign a fracking contract - after telling her neighbors only to accept a contract she approved - likely a "won't ever actually frack" deal?

Her mother, working as the Red Cross area planner (?) for Long Island, single-handedly halted the construction of LILCO's scheme to construct a nuclear power plant on Long Island; she staunchly refused to sign off on a certification that it would be safe, despite major pressure from the bosses - she and her sister had persuaded her it would be truly dangerous...

Hurricane Sandy would have probably have produced a HUGE nuclear catastrophe on Long Island if that thing had been built? **OMG**

**--> A long-term setup to fuck over me, the McGuire Family Partnership, AND CFCU**

The McGuire Family Partnership has an effective monopoly on auto sales in Tompkins County - why? Because:

- 1) They're efficient, effective, and personable, and
- 2) As a consequence they've got a lock on auto financing which gives them inordinate influence over area banks, including CFCU, which was once a GENUINE Credit Union restricted to Cornell staff and students - no longer: it's now pretty much the same as a private bank.
- 3) UPDATE 2/2/15  
Evidently, they were responsible... all the way? Since yesterday, on 2/2/15, they rejecting my (reasonable) \$200,000 Business-Purpose HELOC request.

"WhatEVer!" *Let 'em hang.*

I wasn't supposed to get as far as I did in my analyses; in particular, I was NEVER supposed to figure out that I had been dosed with PCP *and* establish reasonable proofs that OMH clinicians were in on the scheme... which is why Mark Finnigan started to subvert my progress, e.g., offering bad advice on running my newly-"discovered" Alice-legacy lawnmower with 2-cycle oil in it...

He *knew* that Alice had sabotaged the house... and didn't want me to figure out *why*.

SABOTAGE - he knew the lawnmower was there, buried with Alice's junk in the barn! ?

When I asked Mark whether it was OK to run the mower with

2-cycle lube in the gas, he said "Sure!"

--> BULLSHIT - I knew better myself, but I got enough parking area mowed before the mower choked due to the fouled sparkplug.

--> THEIR survivalist scheme! He was happy "helping me" as long as I was doing the gritty work of cleaning the place out, once it was ready... he NO LONGER HELPED ME.

SELLING ME DOWN THE RIVER - My mother has recited their propaganda, basically of a "Sell your house and Get a job!" character, implying that I'm FIT TO WORK, when I have NEVER been fit for "Ordinary Employment" - I never really had a "real job".

(I'm leaving family history out, OK? IT'S UGLY)

Reasons for "DE-friending" of Mark Finnigan:

I had made Mark Finnigan my "Health Care Proxy" along with his wife Christine as a secondary proxy - Mark wanted to use this to have me hospitalized! One time when I mentioned I was feeling down, Mark said - with great eagerness!

***"Are you feeling suicidal?!"***

--> TELL

Mark "couldn't" re-route my barn electrical to preserve my well water connection 3 yrs ago - meanwhile, he's probably up on roofs of properties he now owns: he WANTED me to lose my water supply, SO I WOULD BE DRIVEN FROM MY HOME.

MARK WOULDN'T LOAN ME \$20K to pay off my credit card debts on his retirement... when he had said "I'm filthy rich," and I had said, "But it's not 'dirty money'..." [I SUPPOSED it was all honestly come by]

MARK "forgot" to come over when he was scheduled to come over to help me, Hal, and Dave get the glass garage door up... we got'r'done anyway! YAY US!

[... all of a sudden I was standing at the west end of the garage door with the frame on my shoulder to hold it up: "a typical guy approach to fixing things": Hal knew how to do it, and INDEED HE DID! Kind of sloppy fix, but IT WORKED]

And Frank Araneo... gee, *somehow* neither one of my "good friends" Mark *or* my "lover" Frank can manage to get off his ass and help me fix the 4x8 foot hole in my bedroom ceiling, which would take about two hours total?

Frank can't even manage to return my calls... *what a wuss*.

\*\*\*\*\*

**THUGS** - in Order of Appearance -

This was worked up to impress upon Lenora that I was being subjected to  
**SERIAL MENACING**

**Dale Borst** - "Deceased" - 1993 - RAPED ME with the connivance of  
of Anne Marie Whelan - my ex-wife and "co-rapist"

0) **Mark Finnigan** - Attempted to FUCK ME OVER

with potential debacle with laser lightshow, which -> I <- defused...

"I'm the boss! So you do what I say! I'm paying you

- I'm responsible!" - Mark.

"You need to read the manual... these lights can BLIND PEOPLE!" - AnneRose

--> **THIS VIDEO HAS JUST BEEN DELETED FROM YOUTUBE: Evidence of GUILT!**

-> fuckover of "Neo Project" band - NO GIG WAS SCHEDULED for 5 Mile Drive

- But Mark horned in, like there was one scheduled for 5 Mile Drive?

- Following my birthday 5/1/14 - I DID A/V for 5 Mile Drive, left early: TIRED!

- Franklin, the bass player in the band, and a friend of Lenora's, was PISSSED!

**Neal Gray** - "Les Transsexuel Invisibles" - stage manager

**STARTING IN AUGUST 2014, FOLLOWING MY FIRST IN-REAL-LIFE INTER/ACTION WITH LENORA QUVUS:**

1) **Walt Lorenzut** - Chest-bumped Alice: she called the cops on him.

- Ripped me off on pot deal - pot grower himself: blackmailed by Neal Gray,  
who would have spotted his grow site from his private plane.

2) **Mark Finnigan** - my "friend" - and his "cute attack parti-poodle" Charlie

- when Lenora and I came over for late "Memorial Day" celebration on 8/31/14,

Charlie came towards me aggressively as we entered their yard;

Mark restrained him by saying "Charlie, NO! That's bonzie"

-> "Charlie, NO!" is the command; what comes after that, is *irrelevant*.

- Q: Where did he get the clothing to train Charlie to attack me?

A: He stole it from my house - when he "couldn't remember"

previously where my key was, when I was DEATHLY ILL 12/??/13?

3) **Jonathan Hochberg** - SEE VIDEO EVIDENCE OF -> MENACING <-

4) **"Sailboat Dude"** (CD and new owner of The Dock and The Haunt): "I went to gay bars."

- Indirect threat.

- Was Lenora possibly being RAPED? -> I HAD TO WAIT OUTSIDE.

SEPTEMBER 5, 2014 WAS -> HELL <- FOR ME.

5) **Singer** in "Atomic Forces" - Stole one of the power cables for my A/V

- "I'm just a guy with two SM-58s."

- "FAKE FAKE" (lol) + I GOT THE AUDIO ANYWAY "bwahahahaha!"

by using POWER CONSERVATION mode on my portable TASCAM DR-2D (hint)

5a) **Guitarist** at REGGAE NIGHT - "Walking the Dog" with a Yo-Yo:

-> THUG THUG THUG (just an itty bitty "mashable" "thugge petite" lol)

- "REAL FAKE" hahahaha

I WAS POISONED by E-cig "juice" I ordered on 8/31/14 which had Adderal added

-> One week in "clinically paranoid state" - my own words

-> Figured it out because my cock shrank to a nub:

-> INCREDIBLY UNCOMFORTABLE - side effect of speed

(Adderal is a levo- form of methedrine (??))

6) **John Lenz** - Gripped my biceps WITH BOTH HANDS - trying to coerce me into sex:

- "You're more feminine than 90% of women..."

- "Here, I'll show you my new cooking knives... maybe I shouldn't."

- "FAKE CRAZY" -> CRAZY CRAZY CRAZY - absolutely OUT OF HIS MIND.

-> I WAS POISONED with PCP and "Spice" ? ("Synthetic THC - HIGHLY TOXIC)

in the pot / pipes he gave me - + Salvia Divinorum? ???

Offered me mushrooms (?) - I didn't open, rejected IMMEDIATELY

-> Got me addicted to tobacco again.

7) "Chet" - "Bodyguard" (Hell's Angels "soldier") at The Dock  
[We signed up with Hell's Angels as "agent"/"talent" as a security alternative to FBI agents; elsewhere I characterized them as our "bonding agency" for providing a "Performance Bonds" on me: cf. "Hollywood fuckups" like Robert Downey Jr.? LOLOL]

- He "forgets" to deliver pot several months ago
- and subsequently attempts to use menacing in order to prevent me from speaking with Lenora:
- "Don't talk to her" and to keep me from meeting with my fiancé - I told him,
- "I have to talk with her... she's my editor, my agent, my manager..." (paraphrase)

Previously had said ... when NOT delivering pot?

>>>> - "I have to go choke a guy tonight."  
>>>> - "I don't like to choke people."  
>>>> - "Life is about suffering."  
>>>> - "That's my [Hell's Angel] boss. I don't like him." <<<<

FIRE. HIS. ASS. - Seduced by Neal A. Gray via iPhone and  
TOTALLY USELESS forever:  
"A traitor once, is a traitor always."  
-> Sailboat Dude. *He knows too.*

Tuesday, Jan 20, 2015:

>>>> - "Come outside with me." x 1 (witnessed)  
>>>> - "Here's a cigarette... smoke it." x 2 (I refused)  
>>>> - "Don't talk to her." (Lenora)  
>>>> - "Come outside with me." x 2 (witnessed but I JUST SIT THERE)  
>>>> - "I'd like to get a piece of that" (in paraphrase w/r/t "Ass")  
- DUMBASS! CONDESCENDS to me by talking gibberish. "Whaaat?"  
- "FAKE STUPID" -> MENACING

-> DANGEROUS THUG <- and a dumbass to boot?  
Separate the DOG from the girl: where is the girl  
supposed to wind up? Eh?  
[I'm her "bitch," LOL: *largely* true? :)]

PS: I'd be happy to go back on estrogen... but can't NOW:  
1) Planned Parenthood was fucking with me;  
2) Dr. Breiman [my GP] WILL NOT PRESCRIBE estrogen. Period.  
... and for good reason, 'coz it's "outside his scope"

**COROLLARY 1: Neal A. Gray, the most stupid person on Earth...**  
HAS SHARED the blackmail images cached in the "Most Holy" files  
of the "WATCHTOWER" SOCIETY/Jehovah's Witnesses!!!!!!!!!!!!

Q: "When is blackmail, no longer 'black' mail?"  
A: "WHEN IT'S PUT TO USE, DUMBASS!"

**COROLLARY 2: Our "bonding agency" (lolol) CAN'T DELIVER -> SECURITY <-**  
"Yes, but... what about 'The Avengers'? FEELIN' FRISKY!" - ROFLMAO  
-> CUE ENTRANCE

- DIRECT QUOTATION: "You bust a deal, you face the wheel."
- Yeah, if I bust my deal with her to be her "compliant" wife...†  
-> Neal Gray has BUSTED "Chet's" DEAL up BUT GOOD - uses iPhone

-> ALL DEALS ARE OFF for performances at this point in time.  
[My connection with the Angels includes a shared love of the band Blue Cheer -  
at one point in time they were the "house band" for the Hell's Angels SF Chapter?]

**HERE I AM - put up against "Ithaca's Hard Boys" LOLLOLOL**

- ... what a bunch of wimps and L.O.S.E.R.s !!!
- ... they're used to people just "rolling over" and GETTING FUCKED!
- "Here's a Shit Sandwich... EAT IT AND SMILE!" (L.O.S.E.R. smiles)

-> Mark Finnigan - My mother tells me "You should apologize to them..." - FOR WHAT?  
For suffering insults from them without smiling and EATING SHIT?

MY OWN MOTHER has been made a conduit for their lies and propaganda against me.  
*THAT'S JUST SICK.*
