NINE THINGS YOU DID NOT KNOW ABOUT ME

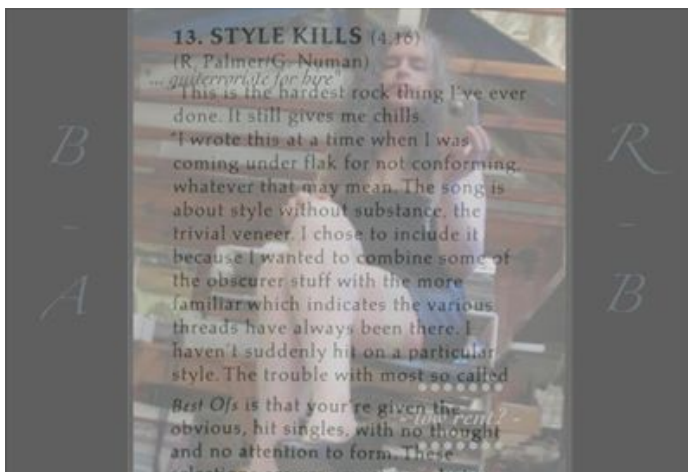

Now, for a person who prides herself on being an Engine of Publicity, this is a toughie, but I shall do my best?

- 1) I have been laid precisely once in the past seventeen years.
- 2) That was "some time ago".
- 3) The first music video I ever made was for the Red Letter song "STRANGE" (apropos, eh?).
- 4) I have founded no less than FOUR radical revolutionary organizations — the Paleo-Gothic Trans-Geek Liberation Front; the NEW YORK DOLLS – ITHACA FACTION; IthaCabal; and SECT, the Society for the Elimination of Conspiracy Theorists — whose purpose remains mysterious, because besides the fact that founding revolutionary groups is a fashion I'd like to bring back into "High Fashion", I'm not really sure what the point is, besides the one I invoke in The Proof Of My Inherent Superiority? I.e.,
— "My ass is smarter than yours; wiser; and more plush. Ergo, you should worship my ass. Q.E.D." – bonze blayk
- 5) I always wanted to be a lead singer rather than a lead guitarist (and I had to transition to "get there"). "GOT EGO? SHARE IT!" – bonze blayk
- 6) My favorite song in 5th Grade was "The Orange Rooftop of Your Mind" by The Blue Things.
- 7) I never did drop LSD; I came out 'crazy' naturally! "Who needs LSD, when you've already experienced 'The Blue Things'?"
😄 The complexion of my ass is now greatly improved, thank you.
- 9) Yes, there are actually things I do not talk about!

Sincerely,
Bonze Anne Rose Blayk...
