WOW!

I am now more interested!

The reason is that you are totally experienced at this age and can understand the whole thing I can bring to you! I am a very nice guy, educated and I really love to lick women. specially the ones older than me.

I am really interested to meet you and see if I am able to satisfy you completely or not!

Let me know if you are interested too.

Kisses

Hi
 How are you?
 Do you have time to meet in a coffee shop or a bar?
 Kisses

Poor thing, I hope you manage in Ithaca. The last place I would look for sexual partners is among the academics. I was one, sort of am one - and my, they're dish rags in bed to the last. Clueless about what it's really about. Good luck to you, A young tv - if you are at all hot - can do well for herself. Don't end up like these girls doing truck drivers at all night truck stops, unless your into it. I'm sure you can do a whole lot better.

Personally I think Cornell sucks

Love and peace
